

Machine Introduction

SYSTEM DETAILS

1. System flow chart

Raw Water Pump >>> Quartz sand filter >>> Activated Carbon Filter >>> Micron Filter >>> High Pressure Pump >>> RO membrane >>> UV Sterilizer

2. Highlights

- 1) Continuously producing pure water in automatic state
- 2) Auto running at low water level condition and stop at high water level condition
- 3) Self-clean backwash function
- 4) Water shortage protection for pumps
- 5) Online water quality monitoring
- 6) Branded components ensure high performance & stability
Vontron/XYM/Dows RO membrane
CNP-Nanbeng SUS304 pump
- 7) Less manpower required for maintenance

3. System images

Professional manufacturer of water treatment plant

4. QUALITY ASSURANCE

- ISO 9001 Quality System to control the work and assure the quality.
- CE Certificate
- Stainless steel material grade: SUS 304
- RO membranes: Original and brand-new RO membranes.
- Water pumps: Both Raw water pump & HP pump use the best Chinese brand.
- Inter-connection PVC-U pipeline works: Neatly connected, each connection parts have unions , which is easy to maintain.
- Cargo inspection before shipment by the designated 3rd party is acceptable.

5.OUR FACTORY

MingMo group is located in Chengdu city ,Sichuan Province,the South west of China.We are established in (2006) with over 14 years engineering experience in water treatment industry. We have the factory with over 1000 square meters,and

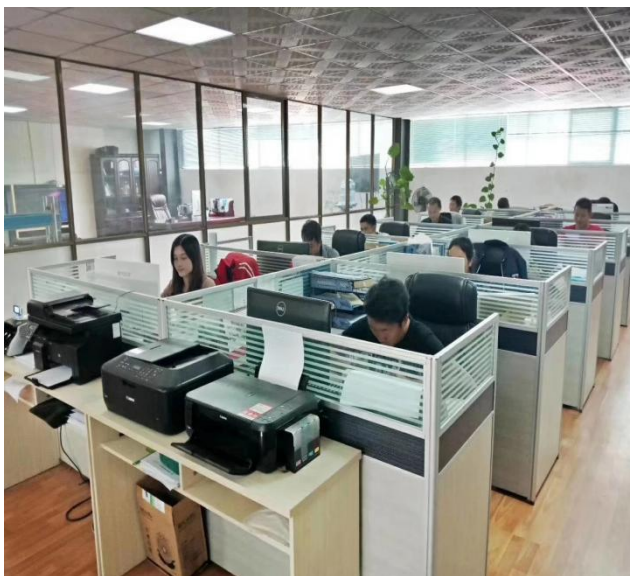

Sichuan Mingmo Water Treatment Equipment Co.,Ltd.

Professional manufacturer of water treatment plant

have 4 sales branch in China ,also we have 1 branch in Burma , We have over 120 employees.We are mainly engaged in the research, development, production, sales of Reverse Osmosis plant, Ultra Filtration system, Ultra Pure Water System and Water recycling systems. Our products are widely used in various industries such as textile and paper industry, brackish water desalination, electronics industry ultrapure water, pharmaceutical industry water, industrial product manufacturing, fine chemical industry, boilers, and public water treatment systems etc. As one of the leading enterprise in China, we have been dedicating to strict quality control and considerate customer service .Multiple patents have been achieved by us .Our products meet the requirement of CE/CCC/ISO9001 requirement. We .We aim to become an excellent factory in the world. We sincerely welcome friends from all over the world to visit our factory and cooperate with us for long-term mutual benefits.Welcome to visit our factory!

6.Our Project

Sichuan Mingmo Water Treatment Equipment Co.,Ltd.

Professional manufacturer of water treatment plant

7.Our Qualification

Occupational Health Safety Management System Certification

Certificate Number : JY001-2019S0025

It is hereby certified :

Chengdu Mingmo Water Treatment Equipment Co., Ltd.

Organization(credit) code : 91510106MA61T45W1J

Has been assessed by Shenzhen JiuYu International Certification Co., Ltd.
certification and found to comply with

ISO 45001 : 2018

Certification Scope :

Design and sales of water treatment equipments and environmental-protection equipments
and their related management activities

Registered address : No. 1009, Rongdu Avenue, Tianhuizhen Street, Jinniu District,
Chengdu, Sichuan, China

Audit address : No. 1009, Rongdu Avenue, Tianhuizhen Street, Jinniu District,
Chengdu, Sichuan, China

Issued Date : 2020-05-25

Effective Date : 2021-04-07

First Registration Date : 2019-04-08

Registration Vaild Date : 2022-04-07

This certificate is issued by Shenzhen JiuYu International Certification Co.,Ltd. The obtained organization shall accept the surveillance audit and change the certificate in accordance with the relevant regulation before the effective date of the certificate. Certification eligibility is available on the official website www.cnca.gov.cn.

Address: Room 208, Block C, Chuangjin 1, Area 28, Baoan District, Shenzhen City ,Guangdong PR, China.

Environmental Management System Certification

Certificate Number : JY001-2019E0029

It is hereby certified :

Chengdu Mingmo Water Treatment Equipment Co., Ltd.

Organization(credit) code : 91510106MA61T45W1J

Has been assessed by Shenzhen JiuYu International Certification Co., Ltd.
certification and found to comply with

GB/T 24001-2016/ISO 14001:2015

Certification Scope :

Design and sales of water treatment equipments and environmental-protection equipments
and their related management activities

CERTIFICATE

QA-AC-5463/21

QA TECHNIC – ATTESTATION OF CONFORMITY

2006/42/EC MACHINERY DIRECTIVE
2014/35/EU LOW VOLTAGE DIRECTIVE

Sichuan Mingmo Water Treatment Equipment Co.,Ltd.
No.8,Lantian Road, economic development zone (NorthDistrict),ShiFang, DeYang,
Chengdu,Sichuan,China

Product (s) : Reverse Osmosis Water Purification System

Product Type(s) / Model (s) : MM-RO I series, MM-RO II series

Applicable EC Directive (s) : 2006/42/EC, 2014/35/EU

Applicable Harmonized Standard(s) : EN ISO 12100:2010;EN 60204-1:2018

Test Report(s) and Date(s) : Sichuan Mingmo Water Treatment Equipment Co.,Ltd.
TCF-TMLMJ2108254281-09; 25.08.2021

The Present certificate is valid just for the analysed product design. The certificate shall lose its validity in case of any changes in the product.
The CE mark as shown below can be used, under the responsibility of the manufacturer or the importer, after completion of an EC Declaration of Conformity and compliance with all relevant EC Directives.
